

Carroll County Public Library Presents

# Grow with Baby: Hatchlings in the Nest

Adults. *Grow with Baby: Hatchlings in the Nest* is designed for parents with babies six months of age and younger. Join us for this informative and fun early literacy program. We encourage participants to come to each session of this four-week program. Parents/caregivers will receive a take-home gift each week. Child care will be available for older brothers and sisters. If the in-person option changes due to changes in health protocols, the program will be offered virtually and participants will be contacted. Only adults need to register.
