

WELCOME

# Hello,

Hatchlings Families!  
Let's get to know each other  
& the program.

**Hello Everybody,  
Yes Indeed**

**“Hello Everybody,  
Yes Indeed”**

Hello, everybody  
yes indeed,  
Yes indeed,  
yes indeed.

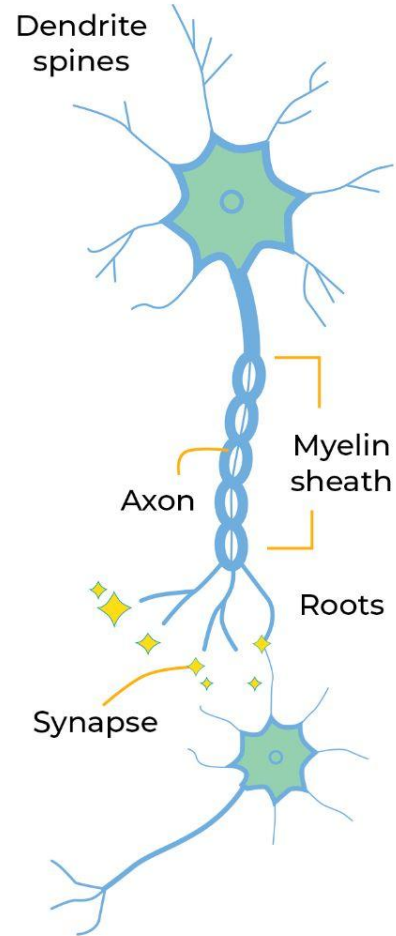

Hello, everybody,  
yes indeed,  
Yes indeed  
my baby.

## ABOUT THE BRAIN

# We learn through connections.

Our brain is full of cells, called neurons, and they look like that skinny little neuron. When a child is born, there are billions of these neurons in the brain. You can mimic these brain parts with your hands.

## ABOUT THE BRAIN

**The majority of connections in the brain are formed in the first 3 years of life.**

That's why it's never too early to talk, sing, share books and play!

**Talk, sing, share books & play**

**Talk, sing, share  
books & play**

Talk, sing, share  
books and play.

Talk, sing, share  
books and play.

Talk, sing, share  
books and play.

Talk, sing, share books  
and play -- Hooray!

**To your child,  
your voice is the  
most beautiful  
sound in the world.**

Children love hearing the same stories. Cardboard books are the best for babies, and black and white pictures are the easiest for newborns to see.

# There are many ways to read a story..

Read the words aloud

Talk about the pictures

Ask questions and answer them!

## and even sing a song!

# Use familiar tunes to bring the book to life!

## Hello Sun, Yes Indeed

### Hello, sun

Yes indeed, yes indeed, yes indeed.  
Hello, sun, yes indeed,  
Yes indeed my baby.

### What's going on, bird?

Yes indeed, yes indeed, yes indeed.  
What's going on, bird? Yes indeed,  
Yes indeed my baby.

### Bonjour, flowers

Yes, indeed, yes indeed, yes indeed.  
Bonjour, flowers, yes indeed,  
Yes indeed my baby.

### What's up, clouds?

Yes indeed, yes indeed, yes indeed.  
What's up, clouds? Yes indeed,  
Yes indeed my baby.

I've got something in my pocket,  
it belongs across my face.  
I keep it very close at hand,  
in a most convenient place.  
I'm sure you couldn't guess it  
if you guessed a long, long while.  
So I'll take it out and put it on,  
it's a Great Big Loving Smile!

## The brain likes to remember happy moments.

Your song is even more powerful if you smile when you sing.

**I've Got Something  
in My Pocket**

# Name the parts of the body as you sing about them.

**Can You Kick with  
Two Feet?  
& Pizza, Pizza Hot**

Can you kick with two feet,  
two feet, two feet?

Can you kick with two feet?  
Kick, kick, kick, kick, kick.

*Continue with*  
wiggle with 10 fingers...  
clap with two hands...  
wave with two arms...  
kiss with two lips...

## **Pizza, Pizza Hot**

Pizza, pizza hot.  
Pizza, pizza cold.  
Pizza, pizza in the box,  
Nine days old.

Some like it hot.  
Some like it cold.  
Some like it in the box,  
Nine days old!  
(I do! or Yuck!)

# Rocking comforts, but dancing rocks!

Movement fires up the brain.

**Hokey Pokey!**

## **Hokey Pokey!**

You put your hand in, you  
take your hand out.  
You put your hand in and  
you shake it all about.

You do the  
Hokey Pokey and you  
give a little shout:  
“I love you without a  
doubt.. Hug!”

Continue with “You put your  
head in, etc...”

**Any song is good.  
Feel free to  
change words.**

**Wheels on the Bus**

Have fun and be playful!  
Talk about things you see.

## **Wheels on the Bus**

The wheels on the bus go  
'Round and around,  
'Round and around,  
'Round and around.

The wheels on the bus go  
'Round and around,  
On our way to the library.

## **Wheels on the Bus**

The cat that I see goes,  
“Meow, meow, meow.  
Meow, meow, meow,  
Meow, meow, meow.”  
The cat that I see goes,  
“Meow, meow, meow,”  
All through the day.

## **Wheels on the Bus**

The puppy on the page  
goes, “Woof, woof, woof,  
Woof, woof, woof,  
Woof, woof, woof.”

The puppy on the page  
goes, “Woof, woof, woof,”  
All through the day.

## **Wheels on the Bus**

The truck in the street goes  
Vroom, vroom, vroom.  
Vroom, vroom, vroom,  
Vroom, vroom, vroom.

The truck in the street goes  
Vroom, vroom, vroom,  
On our way to the library.

I have a little shaker,  
I'll shake it in the air.  
I'll shake it over here.  
I'll shake it over there.  
It can be a carousel.  
Going round and round.  
It can be a shooting star,  
falling to the ground.  
I have a little shaker,  
I'll shake it in the air.  
I'll shake it over here.  
I'll shake it over there.

You can make your  
own shakers with  
household items!

# Shake along to the beat!

Any song is fine to sing  
and any rhyme is great to  
recite; don't limit yourself to  
children's songs

**I Have a Little Shaker**

# Lullabies help babies relax.

Any song can be a lullaby, just sing it slowly and softly.

**Twinkle, Twinkle Little Star  
& The Wheels on the Bus**

Share songs that your parents and grandparents sang with you, too.

## **Twinkle, Twinkle Little Star**

Twinkle, twinkle little star  
How I wonder what you are.  
Up above the world so high,  
Like a diamond in the sky.  
Twinkle, twinkle little star  
How I wonder what you are.

**Twinkle, Twinkle Little Star  
Alternate**

Twinkle, twinkle, little star,  
What a lively baby you are.  
In my stomach very tight,  
You keep me up all the night.  
Twinkle, twinkle, little star,  
What a lively baby you are.

# The place for you and the place for me is the local public library!

Oh, the place for you  
and the place for me  
is the local public library.

They have books and things  
that they lend for free.

It's the latest, it's the greatest,  
it's the library.

Educational, informational,  
entertainment that's sensational.  
It's a way of life, it's for you and me.

It's the latest, it's the greatest,  
it's the library.

(Dum ba da da da dum,  
dum dum)
